

To become a Legacy it is required that you compete in all 8 seasons of running at Esperanza. This is four seasons of cross country and four seasons of track. The Legacy Books started in 2003 and the first recipients of the Legacy Books were 2003 graduates Mike Chavez and Ralph Pettus. In turn, after earning a Legacy, the recipient chooses a freshman on the team to carry their Legacy on into the next 4 years. If the recipient of the Legacy book completes 8 seasons of running as an Aztec they will have the opportunity to pass on their very own Legacy to their freshman of choice as well as the older Legacy. ***In 2008 Legacy books began to be passed to 10th graders due to the lack of 9th graders and the opening of Yorba Linda High School in 2009.**

A Hall of Fame Legacy Book is earned by an athlete that has not only demonstrated physical gifts by breaking records or having posted times that land on the All-Time Top 10 Lists, but who have also left a profound effect on their teammates and coach as leaders. These athletes may not have completed 8 seasons but they finished their senior season giving everything they had to the team. A Hall of Fame Legacy is distinguished because they have excelled or sacrificed more than their peers. **To earn a Hall of Fame Legacy is the ultimate tribute for a runner at Esperanza High School.**
