

## **Introducing eScrip!!**

What is eScrip? - A way to earn contributions from Vons, and Pavilions grocery stores, as well as a host of other participating retailers. These partners contribute a percentage of your grocery loyalty card, credit card, or ATM/debit card purchases to our program. It is a great way to earn dollars for EHS Cross Country, through the regular spending on everyday items such as groceries, gas, clothes, etc.. It's fundraising that everyone can support, with very little effort!!

### **Here's how it works:**

- You register any of your grocery loyalty cards and or credit/ATM cards for use in the program. (You may choose which cards you want to register – and you can do it through eScrip's secure web site).
- Merchants make contributions to our program based on purchases you make, just by using the card you registered.
- You may track your purchases and earnings on the eScrip web site.
- You may support up to 3 participating organizations of your choice. Just be sure on is EHS Men's Cross Country!!
